

**Ezidebit Direct Debit** offers Melbourne Functional Medicine patients a secure online payment solution through a recurring payment schedule.

### How it works

- Payments are automatically collected from a nominated credit/debit card or bank account on behalf of Melbourne Functional Medicine
- Ezidebit can be used to cover the price of your program over scheduled monthly instalments
- Available for Australian-based patients only
- Cannot be used for testing or product purchases

### Getting started

On commencement of the program, let our clinic support team know that you'd like to use Ezidebit, and they'll initiate a new customer agreement for you.

### Program Payment Arrangement

Program duration	3 months	5 months	7 months
Upfront payment	\$1950	\$1950	\$1950
Monthly instalments	\$1750 x1	\$1250 x3	\$1150 x5
<b>Total</b>	<b>\$3700</b>	<b>\$5700</b>	<b>\$7700</b>

### Are there any additional fees?

While Melbourne Functional Medicine does not charge any additional fees to use this payment plan solution, there are some service provider transaction service fees to be aware of:

- Bank account transaction fee: \$1.57
- Merchant service fee (Visa/MasterCard): 2.49%
- Merchant service fee (AMEX/Diners): 3.2%
- Ezidebit failed payment fee: \$9.90

### Other useful information

- SMS payment reminder sent 3 days prior to scheduled payment
- "EZI\*Melb Functional" appears as the business name on your bank statement
- Ezidebit will send a confirmation email with payment arrangement and service agreement - please print and retain for your record
